After the Age of Fifty

From this age the human system gradually declines and the accumulated toxins in the blood cause rheumatism in joints, muscles and back. These warnings should be promptly relieved and serious illness avoided by using the following prescription, which comes from a noted doctor and is said to have equal in curing rheumatism and restoring physical vigor. Good results come after the first dose. "From your druggist get one ounce of Toric compound (in original sealed packages) and one ounce of syrup of Sarsaparilla compound. Take these two ingredients home and put them into a half pint of good whiskey. Shake the bottle and take a tablespoonful before each meal and at bedtime." If your druggist does not have Toric compound in stock he will get it for you in a few hours from his wholesale house. Don't be influenced to take a patent medicine instead of this. Insist on having the genuine Toric compound in the original one ounce, sealed, yellow package.

SORE FEET, Corns, Callouses, Bunions, Frost Bites, Aching and Swelling Feet. A spoonful of Calceide in the foot-bath gives instant relief. Get a 50c box at any drug store.

Breaks a Cold in a Day

And Cures Any Cough That is Curable. Noted Doctor's Formula.

"From your druggist get two ounces of Glycyrrhine and half an ounce of Globe Pine Compound (Concentrated Pine). Take these two ingredients home and put them into a half pint of good whiskey. Take one to two teaspoonfuls after each meal and at bedtime. Smaller doses to children according to age. This is the best formula known to science. There are many cheaper preparations of large quantity, but it don't pay to experiment with a bad cold. Be sure to get only the genuine Globe Pine Compound (Concentrated Pine). Each half ounce bottle comes in a sealed tin narrow-neck case. If your druggist does not have it in stock he will get it quickly from his wholesale house. This has been published here every winter for six years and thousands of families know its value."
